

This architectural section drawing illustrates a building with a complex roofline, featuring multiple gables and a central dormer. The structure is outlined in red, with a blue outline for a smaller section on the right. The drawing is annotated with numbers 1 through 7, indicating specific structural elements or construction details. A vertical dashed line on the right side is labeled '1/2' at the top. The building is situated on a sloped ground, indicated by a hatched area at the bottom. The background shows a landscape with trees and a distant building.

Technical drawing of a building footprint with dimensions and area calculations. The drawing shows a rectangular building with a total width of 15.00m and a total depth of 15.00m. The building is divided into four sections labeled 1, 2, 3, and 4. Section 1 is a rectangle with a width of 10.00m and a depth of 15.00m. Section 2 is a rectangle with a width of 5.00m and a depth of 15.00m. Section 3 is a rectangle with a width of 5.00m and a depth of 15.00m. Section 4 is a rectangle with a width of 5.00m and a depth of 15.00m. The drawing includes various dimension lines and area calculations in square meters (m²).

Dimensions and Area Calculations:

- Overall width: 15.00m
- Overall depth: 15.00m
- Section 1: 10.00m x 15.00m = 150.00 m²
- Section 2: 5.00m x 15.00m = 75.00 m²
- Section 3: 5.00m x 15.00m = 75.00 m²
- Section 4: 5.00m x 15.00m = 75.00 m²
- Total area: 150.00 + 75.00 + 75.00 + 75.00 = 375.00 m²
